

CLGE report

Spain. Spanish Surveyors endorsed the Code of Conduct

The Spanish Association of Land Surveyors (COITT) at its monthly Ex-Board assembly that held in November 26th endorsed the Code of Conduct for European Surveyors (CoC) as guidelines for professional behaviour. The CoC was translated into Spanish and the essential contents were reported to all the members. No objections to the spirit or content of the document.

Members of the Ex-Board at the conclusion of the meeting where the CoC was adopted

Spain. Spanish Association of Land Surveyors appoints its Delegates for CLGE
