Att. Commander, General Singelé

Subject: CLGE Seminar DEC 01-02 2005

Dear General Singelé,

On behalf of CLGE I want to express my gratitude for the warm and positive support from The Royal Military Academy.

The surroundings, the Facilities and the positive assistance from your staff made a great impression on the Participants from 19 countries and I have received numerous mails showing this.

During the handover ceremony of the “Bornes the Cristal 2005” and the dinner on Thursday evening, I had the opportunity and the honour to meet your Academic deputy, Colonel Jean Marsia and – being Major-R myself – we had interesting talks about the development of the military situation in the last years.

For the participants and me we carried home a great experience of Belgian hospitality and efficiency and thereby opening up for further activities in Bruxelles.

I hope to be able to visit your fine Royal Military Academy again and remain respectfully yours,

Henning Elmstroem
