Subject: CLGE Seminar "Geodetic Surveying: A Challenging Profession" - Invitation/Call for papers
Date: Thu, 7 Dec 2006 12:11:26 +0100

Dear CLGE delegates!

As announced during the General Assembly in Malta, the CLGE Seminar will be held on 22 March 2007 in Lyon/France. A questionnaire to analyse the situation in Europe has been drafted by the local organisers in OGE and the evaluation of the results will be the starting point for the papers and discussions. The call for papers and the first announcement for registration to the seminar are attached to this email.

CLGE delegates are kindly invited to spread this information among interested persons or groups in their countries to address as many persons as possible. The more interest groups are represented in the CLGE seminar, the better results will come out and reflect positions of a wide range of interested groups. Therefore, you are kindly invited to

- * distribute the attached papers among institutions, interest groups, universities and individuals in your country
- * to encourage speakers, who are active in the topics of the seminar
- * to promote the participation to the seminar to as many persons as possible

Please note, that the seminar will take place in the PALAIS DES CONGRES - CITE INTERNATIONALE / 50, quai Charles de Gaulle - 69006 LYON.

The CLGE General Assembly on 23-24 March 2007 will be held in the Axotel in the centre of Lyon. CLGE delegates are requested to stay in the Axotel, registration forms for booking this hotel will be sent to you within the next days. Pre-booking has already been done by the OGE. All other participants, except CLGE delegates, are supposed to take care of accommodation by themselves or by assistance of Mme. Bourgois, as stated in the form.

For any further information, please do not hesitate to contact Mr. Rafic Khouri r.khouri@geometre-expert.fr or me gerda.schennach@bev.gv.at

Thank you for your assistance in promoting the seminar and circulating the papers.

Kind regards Gerda Schennach, Secretary-General of CLGE
