

The Council of European Geodetic Surveyors
Comité de Liaison des Géomètres Européens

Dear Friends,

As announced, some more details about the hotels and registration for the Congress, CLGE General Assembly and the CLGE dinner on Friday night.

Please look carefully to the registration list attached to my message.
It was sent by the French organizer and is a confirmation of your registration.

If there is a mistake, somebody missing, a bad registration, ... please contact me as soon as possible.

Please keep also in mind that guests should have nothing to pay but the night from Friday to Saturday, if they stay.

First delegates are in the same situation as guests + they have to pay for their attendance to the GA (€50) and the dinner on Friday night (€50).

Second delegates pay the full price but receive a discount of 50% on the congress fee (€60 instead of €120). If there is a problem with the billing, please do not hesitate to contact me.

I hope all this is clear and wish you a safe journey.

See you soon in Strasbourg,

Yours,

Jean-Yves Pirlot
