

*The Council of European Geodetic Surveyors*  
*Comité de Liaison des Géomètres Européens*

Dear Friends,

Attached you'll find the Agenda of our next General Assembly in Strasbourg as well as some additional documents.

The GA will be held after the closing ceremony and lunch of the Strasbourg Congress.

Also enclosed, you'll find the draft minutes of the Prague General Assembly that were already circulated on 7 June 2008.

In the beginning of September you will receive additional precisions.

Finally, we want to draw your attention on the next event organized by CLGE, i.e. a non statutory seminar in Bergen. Attached, you'll find a call for papers.

Sincerely yours,

Jean-Yves Pirlot
