

The Council of European Geodetic Surveyors
Comité de Liaison des Géomètres Européens

Dear Colleagues and Friends,

As announced we have the pleasure to send you the documents for our next CLGE General Assembly. The invitation is unusually complex ... but as surveyors are bright girls and guys, used to solve difficult problems, we will tackle this contingency too ;-)!

Please read carefully the instructions below. If there is any problem, do not hesitate to contact me. Each delegate will have to introduce two forms and send them back before the 15th July 2008.

A PDF-form is behind this link and concerns the first part of the GA.

It's the European Congress CLGE is organizing in close cooperation with Geometer Europas and the French Ordre des Géomètres – Experts. http://www.publi-topex.com/base/util/bin2_1243_1.pdf

As you know, this conference will take place from 17 to 19 September 2008. Thursday 18 and Friday 19 September were officially declared as a part of the CLGE General Assembly. Of course, you are more than welcome to take part in the first day of the conference as well. Only a large participation of European surveyors will secure the success of this major event.

There are two parts in this first PDF-form.

One part is for the Head of delegation and his/her partner. The Head of delegation will have no costs for congress, hotel (three nights), dinners and social events unless he/she would take part in one of the sightseeing tours during the GA. His/her partner has to pay a reduced incoming fee of 45 euro and the fees for the sightseeing tours she/he wants to attend (incl. the lunches). These tours will last whole days, excepted on Friday.

It is also possible to register for the congress lunches if the partner does not want to participate in the sightseeing. The sightseeing activities are presented in a separate document. We will start a little web application to allow the partners to express their intentions towards their "colleagues" (Annette Elmstroem will give her recommendations).

The second delegate uses the second part of the PDF-form. He/she pays a reduced fee of 60 euro (instead of 120 euro) for the conference and the full price for the other activities and facilities. It is important to introduce one PDF-form for the two delegates and their partners or two pdf forms but with a good coordination amongst the two delegates. Only one can register as Head of delegation. Of course, you can make your arrangements to share the financial burden of the event.

The second form (Word document) is attached and concerns the last part of the GA, on Friday 19 September, in the afternoon. It is rather straight forward and has to be introduced by each delegate.

Both forms have to be returned before 15 July to:
Publi-Topex – 40 avenue Hoche – 75008 Paris
Or scanned and send to congres@publi-topex.com

The following fax number can also be used: +33 1 45619614

Sincerely Yours,
Jean-Yves Pirlot
Secretary General CLGE
