**Aims and objectives of the meeting**

The main objectives of the meeting were:

- understand the task of the working group
- share information between EuroGeographics-CLGE/GE and among working group members
- create an inventory of background documents
- agree on framework, time schedules and contributions of working group members
- agree on the next steps of the working group

**Outcomes of the meeting**

It was agreed to change the proposed document title to "Impact of European legislation on the surveying profession" (in the sense that cadastral surveying is a crucial part of the surveying profession).

The Table of Contents and initial authors and initial timeframe are set out below:

## Proposal for Table of Content
