Elections CEPLIS Executive Board 2010 - 2013
CLGE Nomination Rudolf Kolbe for CEPLIS Executive Board member

Dear Mr. President,

On behalf of the European Council of Geodetic Surveyors we are very happy to nominate Rudolf Kolbe as our candidate for the election of CEPLIS Executive Board Members 2010 – 2013.

Rudolf Kolbe follows up our current delegate to CEPLIS, Alain Gaudet. As you know, apart from this he has been very active in CEPLIS for more than 6 years as a delegate for ECEC. He has been a CEPLIS Board member since 2007 and was recently elected as Vice President. Rudolf played a major role in the translation of the CEPLIS values of liberal professionals into the CLGE Code of Conduct, adopted in September 2009.

We are convinced that his work is valuable for CEPLIS as well as for CLGE. Therefore we are very happy that he is prepared to offer his time and work for the coming period.

Sincerely yours,

Jean-Yves Pirlot
