The President

21. August 2010

To the CLGE members,
Dear Friends and Colleagues,

The result of the nomination process for the coming elections for the Executive Board for the election period 2010-2012 can be seen below (page 2).

I am happy and proud to announce, that we have well qualified candidates for all posts reflecting that CLGE has grown into an important and vibrant organisation vital to all countries inside Europe. For the 3 posts as Vice-president we are facing an election process which is a really important democratic sign of the growth of our organisation.

The draft agenda for the General Assembly will follow soon.

Allow me one additional but important remark about the GA:
Some days ago, 7 member countries were still not registered for the GA in Varna. May I urge you to book your stay as soon as possible, since the participation is also a sign of the health of our organisation?

I am looking forward meeting you all in Varna.

Yours Truly,

Henning Elmstroem
