

CLGE Seminar on Land Re-allotment and Land Consolidation

This Seminar resulted from the Budapest Workshop which took place on March, 21st 2013. It will be followed by another Workshop during the CLGE GA of October, 4 – 5th.

The CLGE seminar will focus on how to implement an efficient and modern cadastre in a country.

Land Re-allotment and Land consolidation procedures are essential in this field and will thus be discussed during the seminar and the following workshop.

Detailed Program of the Seminar:

Venue and time:

October 3rd, 13:30-17:30 English part The Moldavian / European Surveyors' Seminar
Cadastre and Land Consolidation" - Conference room, Agency of Land Relation and Cadastre,
