„Tag der Geodäsie“ Germany 2016
„Day of Geodesy / Surveying 2016“

All German universities have committed to organize a common day of Geodesy / Surveying with the goal to advertise the study of surveying / geodesy / geoinformation.

Takes place in late spring / early summer to attract high school graduates.

example

Bavarian Week of Geodesy

2016 <http://www.bwdg.bayern.de/>

We measure the world –
Participate, Experience, Learn
venue: Odeonsplatz, Munich
Meeting: 07/26/2016

Summary:

Experts from government, industry and academia are willing to answer questions. Surveying practice – just try it out: classic tachymeter, GPS / GNSS, Laser Scanning and Geocaching.
