- All documents on the website: https://ipmsc.org/consultation/
IPMS SSC Update - Consultation

- Use the Consultation Document Response Form and answer (some of) the following questions:
  - Q1. What are your general comments on the IPMS Retail Buildings Exposure Draft?
  - Q2. Do you require a separate definition for an Auxiliary Areas? If so what do you see as the primary difference between an Ancillary area and an Auxiliary Area?
  - Q3. Do you need a floorplan illustrating the situation in IPMS 1 and IPMS 2, where a property line (ownership line) goes across more than one building?
  - Q4. The SSC has currently incorporated in the definition of Balcony ‘generally accessible rooftop terraces, external galleries and loggia’. Are you comfortable with this inclusion? If not, how would you separately define Balcony, external rooftop terrace, external gallery and loggia?
  - …
IPMS SSC Update

• Use the Consultation Document Response Form and answer (some of) the following questions:
  • ...  
  • Q5. Do you need to specify and provide a measurement for an area in front of the physical counter of a food shop for customer service? If so, should this area be classified as part of the exclusive area of a Shop/Store and do you have a typical distance from the counter that you would assign to exclusive use?
  • Q6. Do you want more or less IPMS Retail plans for each type of building? Please highlight the areas where you feel more or less IPMS Retail plans would assist.
  • Q7. Do you have any further comments?

• Email your response to nicolas.smith@clge.eu
IPMS SSC Update

• How does the SSC proceed?
  – Conference calls each month
  – Physical Meeting in Frankfurt (29 April - 3 May)
    • To finalise IPMS Retail Buildings post consultation
    • To harmonise IPMS and draft IPMS for Mixed Use Buildings
IPMS SSC Update
