# Sixth CLGE Conference of the European Surveyor

- On **Professional Ethics**

# 1ST RANK RUBEN

The image features the text '1ST RANK RUBEN' in a bold, black, sans-serif font. The word '1ST' is positioned at the top, 'RANK' is in the middle, and 'RUBEN' is at the bottom. The letters of 'RUBEN' are filled with a photograph of a city at night, showing a bridge with lights and a body of water. The text is framed by intricate, black, swirling decorative flourishes that resemble calligraphic or Art Deco motifs. The entire composition is set against a plain white background.

- The city is spread over an area of 7.500 km<sup>2</sup>
  - 150 km long and 50 km wide.
  - The largest
- the most crowded city of Europe.
- More than 2 millions tourists visit
