

CLGE Chief Technical Officer (CTO) for GISCAD-OV

Ivars Nudiens

Ivars Nudiens graduated from the Riga Technical University as Master of Science in 2008. For almost 20 years he has been working in the field of geodesy and land surveying in the Latvian company Ģeodēzists, most recently as Technical director. He became a certified geodesist in 2011.

Since 2001, Ivars Nudiens has been a member of Latvian Association of Surveyors and, between 2006 and 2015 he was a member of its Executive Board and also a Delegate to CLGE.

As a CTO, Ivars Nudiens will work on User requirements. He will take charge of the coordination and conduct of the pilot project surveys and data collection in the seven identified European partner countries, validate results and contribute to standardisation and regulation.

Ivars can be contacted by [email](#).
