## Basic information

- On the last few General Assemblies of CLGE, we had a detailed Presentation about our Geodetic Chamber. Now, we will just repeat some things and add what has happened in the meantime.
- The Chamber of Authorized Surveyors was established in month of May 2008. In 2013, according to the new Law on Real Estate Cadastre, it was transformed into a Chamber of Sole Proprietors, Certified Surveyors and Trade Companies for Geodetic Works.

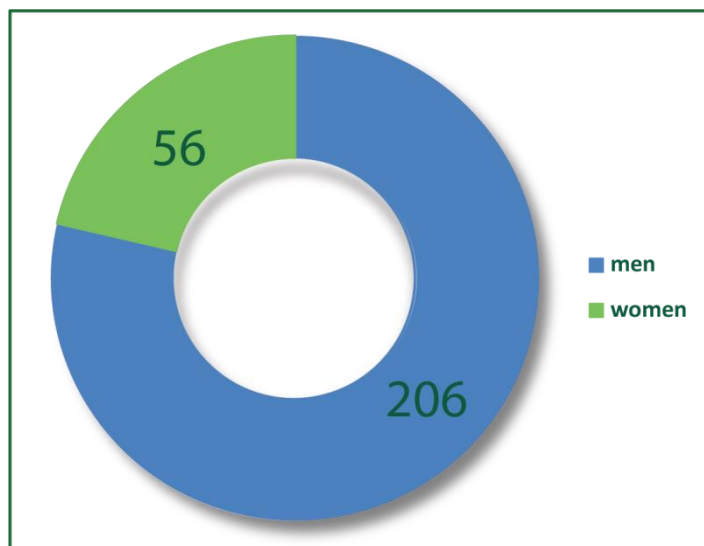

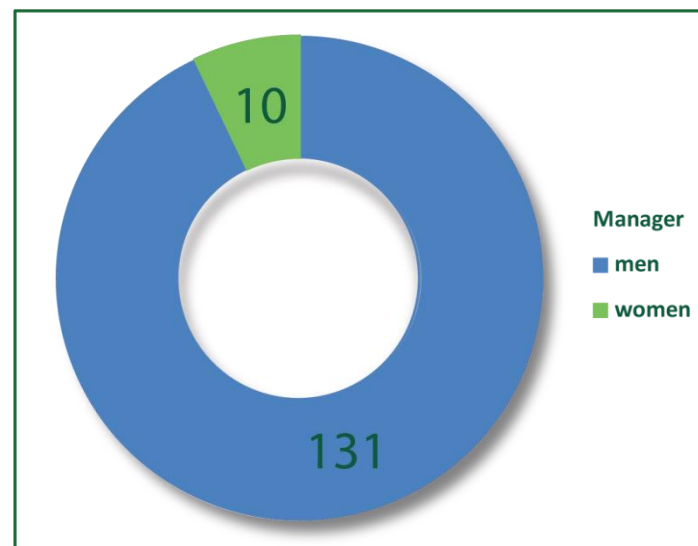

# CLGE

- So far have been issued 262 authorizations for certified surveyor.
- Currently, 141 private surveying companies are registered in the Chamber's Register and all are active.
