MACEDONIAN CHAMBER OF
TRADE SURVEYING COMPANIES

USEFUL INFORMATION

Dear Delegates at the upcoming CLGE Assembly in Skopje, in order to have a more comfortable and enjoyable stay in our country and our city, we have prepared some useful information, which we hope will be useful to you.

COVID 19 Restrictions

According to the latest recommendations of the Ministry of Health for entry into the Republic of North Macedonia there is no predisposition certificate, vaccine, PCR test or rapid antigen test required. Wearing masks indoors is not mandatory, except for entry in Pharmacies, Hospitals, public transport and etc.

Stone Bridge, Skopje

River Vardar, Skopje

Weather forecast

According to today forecast, we expect warm weather, with average temperatures of 26-28C with the possibility of cloud cover during the weekend, so bring an umbrella with you.

Sights of Skopje and the most popular places

If you decide to take a walk through Skopje, visit one of the main landmarks of Skopje, such as the Old Skopje Bazar, Macedonia Square, the memorial house of Mother Tereza and the Museum of the City of Skopje, the Millennium Cross on Vodno and others. The most famous attraction is the Matka Canyon. The most popular places for shopping are Skopje City Mall, East City Mall, Ramstore Mall, City Shopping Center and others. Do not miss to try delicious food

The climate in North Macedonia is crucial for the quality of early vegetable crops, such as tomatoes, peppers, cucumbers, onions and others. So, do not miss to try Macedonian or Shopska salad.

Do not miss to try Macedonian homemade pies.

Do not miss to try Macedonian pizza with pork or chicken (In Macedonian – Pastrmajlija)

Do not miss to try Macedonian specialty – Tavce Gravce.

Pastrmajlija

The most famous alcoholic beverages

In North Macedonia there are several types of home-made beer, but the most famous beer brand is Skopsko Beer. Try it! i

In addition to the fact that North Macedonia is known for high quality and varietal wines, which we will have the opportunity to try together; it is also known for the production of aperitifs, such as Rakija and Mastika. We highly recommended you to try TIKVESH Rakija and MASTIKA from GROZD STRUMICA.

A place for relaxation and sport

The Double Tree by Hilton Skopje hotel is located right next to the quay of the river Vardar, that stretches all over Skopje and divides the city of two parts. Exactly, the left bank of the river Vardar is a popular place where citizens of Skopje play sport and recreate. There are trim and hiking trails, and there are exercise equipment.
