**Young
Surveyors'
Contest**

Collaboration with EUSPA

- Representative - Eduard Escalona Zorita
- Agreement for year 2021-2022
- For EUSPA is not common to support NGO
- It is hard for them to justify fees for CLGE
- EUSPA Ask for more visibility
- Ongoing negotiations
- Proposal to organise professional courses with EUSPA

The CLGE Young Surveyors' Contest 2023

The Council of European Geodetic Surveyors (CLGE)

11th edition of the Contest

CLGE
Young
Surveyors'
Contest

Who can take part?

If you, or you and your teammates, are 35 years old or less and you have undertaken your thesis or some research work at a European university in the department of geodesy, cadastre, mapping or geoinformation or if you have a nice project in mind, in one of these fields, you are welcome to participate in the CLGE Young Surveyors' Contest! Your work must have been finalised within the last 3 years, i.e. between 1 January 2020 and 1 August 2023.

What you should do?

All you have to do is to complete the Contest Application, limited to 1000 words with general information about your work. The Contest Application includes four sections – a template is attached. Complete your Application and save in pdf format, before submitting. A maximum of 5 illustrations may be embedded in your submission. Please note, that by participating you are accepting the use of your data and publication of your work by CLGE.

Why? The awards?

The awards are €1500 for the winner or the winning team, the 2nd place receives €1000 and the 3rd place €500. Winners or participants can improve their C.V. and meet experts, leaders as well as colleagues from other European countries at the awarding ceremony. Moreover, winners will be invited to the awarding ceremony as guests of CLGE. We will fund their attendance, travel and hotel costs!

When? Time table!

The Contest Application must be written in English and sent to the following address: contest@clge.eu with copies to Janis.Klive@clge.eu and Jean-Yves.Pirlot@clge.eu before the 1st of August 2023, 23.00 CEST time!
