CONDOMINIUM ...
as seen by Surveyors

Condominium ownership offers the highest level of protection of the property of individual owners in multi-apartment buildings. At CLGE, we are aware of this, which is why we have prepared an overview of some European best practices and shown the role of a Property Surveyor in the registration of condominiums.

Download the Condominium Compendium for free.

CLGE — 18 November 2022

Hot off the press: This Condominium Compendium might change some minds

With the help of its Interest Group of Publicly Appointed and Regulated Liberal Surveyors (IG-PARLS) CLGE publishes its Condominium Compendium.

Finally! 77 years after the France, Belgium has a real **#OrdreDesGéomètresExperts**. I have been dreaming of achieving this goal for 30 years and I still have to pinch myself to believe it. It is together that we have achieved this feat **Laurence Cloquet Albert-Jean Vanderlinden marcel Bultiau Kris Taelman Gérard Baudru Albert Hannay Frederic Mortier Paul Verhaert** and many others. Beautiful banquet at the Prince Albert Club, in Brussels, this March 7, 2023. Thank you to the Presidents **FIG - International Federation of Surveyors** and **CLGE** for their presence and support. Above all, thank you to Deputy Prime Minister **David Clarinval** and his team for this masterful work.

Global Surveyors' Day 2023 Celebration

The Global Surveyors' Day 2023 celebration, in the presence of Dr Diane Dumashie, FIG President, was a great success, in Paris but also around the world. CLGE is happy and proud about the incredible growth of this initiative since the **Budapest Declaration**, signed with **NSPS**.

Blue Surveying – FIG Working Week Session and CLGE Seville Declaration

The planet is thirsty for concrete actions in #BlueSurveying.

Please join the eponymous session during the **FIG – International Federation of Surveyors Working Week** in Orlando, FL (USA), co-organised with the **National Society of Professional Surveyors (NSPS)**.

We encourage you to share this **letter from the CLGE Leadership** with your members, partners, colleagues and friends. All together our Surveying community can and must make a difference.

CLGE also kindly requests you to share the **Seville Declaration** universally with your own members and to promote it widely in your conferences, meetings, publications, etc. to raise awareness of its values and to foster behaviour in line with its objectives. As a very tangible objective we would be grateful if you could make sure that all water-management related topics get more attention in the surveying education in your country, equally at the

level of initial curricula and continued professional development.

For those who can, please attend the **FIG Working Week session**, details are below. Our President, Vladimir Krupa, will have the honour to open this session in the presence of Dr Diane Dumashie, FIG President and our Vice President in charge of Blue Surveying, Enrico Rispoli.
